

From EULER Project

ProjectEvents: Schools

Training schools and seminars organized by the project

EULER Summer School

Graph and routing dynamics: models and algorithms, July 1-5 2013, Barcelona, Spain

EULER Training

DRMSim Training, March 4-6, 2013.

Seminars

- Seminar at UCL on Feb 24, 2012. *Routing decisions with geographical abstractions: an inter-domain routing approach.* by Alok Kumar (UCL).
- Seminar at UCL on Apr 27, 2012. *Design of Networking Algorithms.* by Pieter Audenaert (iMinds).
