

SAFA Annual Workshop on Formal Techniques Call for Papers

October 12 & 13, 2011
Sophia Antipolis, France

This year again, the SAME 2011 Forum and the SAFA workshop will be co-jointly organized, but with separate Calls for Papers.

TOPICS FOR TECHNICAL PAPERS

SAFA'2011 is sponsored by the
I3S Laboratory:

The SAFA'2011 Workshop focuses on all techniques around formal analysis, and more precisely:

1. Formal languages: definition, toolkits
2. Model-checking, provers
3. Simulation, testing
4. Model-driven engineering
5. Embedded systems, distributed systems, security-related systems, service-oriented architecture
6. Industrial and teaching experience

SCHEDULE & DEADLINES

Deadline for SAFA abstracts' submission: June 1, 2011

Notification of acceptance: June 19, 2011

Deadline for final paper version: June 30, 2011

Deadline for final slides version (for USB key): July 15, 2011

Contact : SAFA Workshop - Email : safa-steering@lists-sop.inria.fr

Submission Guideline

Authors are invited to submit contributions in any of the areas listed above. Contributions shall be submitted in IEEE format, with a maximum of 2 pages (extended abstract). All papers must be submitted by email to:

safa-pc@lists-sop.inria.fr
